NovaProHome LLC — Class A / ESC License Package

Virginia Board for Contractors — Step-by-Step Checklist & Package Contents

What's in this package

#	Document	Status
1	This step-by-step checklist (you are here)	—
2	License Application (A501-27LIC) — pre-filled	Needs: SSN/DMV, course info, exam date, signature
3	Experience Verification Form (A501-27EXP) — pre-filled	Needs: SSN/DMV, verifier section, signatures

Not included here — attach separately: a legible copy of your government-issued photo ID, your Financial Statement Form (A501-27FINST) or CPA review/audit showing $45,000+ net worth, and your payment of $439.50 (check/money order to “Treasurer of Virginia,” or the Credit Card Payment Form).

Step-by-step order of operations

1. Complete the 6-hour pre-license business course
For Class A, the course can be taken by the Designated Employee or a member of Responsible Management (you). Choose any approved provider; see the online options list on the next page. Save your certificate of completion (provider name + date).

2. Pass the Class A business exam through PSI
As Designated Employee, you must pass the Virginia, General and Advanced portions before applying. Register at test-takers.psiexams.com/vacon, or call (855) 340-3910. Write your exam date in Q13.

3. Prepare your Financial Statement ($45,000 net worth)
Complete the Board’s Financial Statement Form (A501-27FINST) showing at least $45,000 in net worth/equity in the company’s name, no more than one year old. A CPA review or audit is also accepted, but compilations are not.

4. Line up your Experience Verification Form (EVF) verifier
The verifier must be able to personally attest to your 5 years of ESC/low-voltage work experience (04/01/2021 – 04/01/2026). They must be a Building Official, Building Inspector, Licensed Contractor, Licensed Architect, or Licensed Professional Engineer, and not a spouse or family member. Have them complete and sign Section B of the EVF (included in this package).

5. Fill in your SSN or VA DMV Control Number by hand
This is left blank on both the License Application and the EVF for you to complete once printed.

6. Submit the application package to DPOR
Mail or hand-deliver the License Application, EVF, Financial Statement, photo ID copy, and payment together to the address on the next page. Do not split items into separate mailings; it delays processing.

7. Wait for DPOR to pre-approve your Qualified Individual (ESC) status
You cannot register for the ESC specialty exam until DPOR reviews your application and experience documentation and clears you to sit for it. Average review time is about 30 days for a complete package.

8. Schedule and pass the ESC specialty exam through PSI
Once you are approved, the exam has 50 questions and a 120-minute limit. The passing score is 66%, and the fee is $85 (non-refundable). Register online at test-takers.psiexams.com/vacon, or by phone at (855) 340-3910.

9. Send DPOR your exam results / add exam date to your file
After you pass, DPOR finalizes your Qualified Individual approval for the ESC specialty. Once all other requirements are confirmed complete, it issues your Class A contractor license.
